

TECTONA FLAT MINIMA

WALL MOUNT

Tectona Flat Minima pergola system is inspired by oak wood with 600 species. Quercus family of oaks have strong structure and can create their own living spaces in any environment. Tectona Flat Minima can be installed up to 3 sections together to create a spacious outdoor space that can be used four seasons. This system can work in harmony with two different type of lighting systems options and several glass systems or zip screens, to add details and functionality to closed spaces.
